

A Bill Concerning the Domain Name of Pornographic Material
Respectfully Submitted by Sylvania Southview High School

1 Be it enacted by the Senate in Student Congress assembled that.

2 Section 1. That for the purpose of easing parental controls on which websites their children can
3 access, it is fashioned that all websites containing material deemed pornographic in nature by the
4 standards set by United States Supreme Court shall have its domain name changed from “.com”
5 to “.xxx”.

6 Section 2. There shall be no instances in which this standard shall not be adhered to.

7 Furthermore, the Federal Communications Commission shall be the enforcing party of any
8 occurring violation. With this increase in duties for the FCC, they shall be allotted the money
9 that is taken in the instance of a violation.

10 Section 3. In the event of a violation of this law, the Federal Communications Commission shall
11 punish the parties that committed the crime in two primary ways.

12 A. The said website is shut down.

13 B. With a fine not exceeding 15% of yearly profits.
