Check the schedule to determine how much of your time will be spent waiting for other team members to finish rounds. Plan ahead by bringing homework and activities to occupy your time.

In this tournament, each competitor competes until he/she/they has/have lost two rounds. That means some competitors may finish Friday night. Some may compete until the bitter end. We will not know until it happens. Plan to be flexible. This also means that the tournament ends when the last competitors are standing. This may extend the time.

This is a local drive tournament. Consult the website for details about this procedure.
