

Southview Speech/debate

2009-2010 Tournament Schedule

This schedule details each tournament the Southview Speech/Debate team will attend this year. Make sure the tournament you would like to attend provides competition for your event. Two day tournaments will require a bus trip. The bus will leave Southview after third period, so competing students will miss school. One day tournaments will require availability from early morning until after dinner time. Local drive tournaments require parents or students to drive competitors to the tournament location, but students may not drive other students. More specific information will be provided to competing students after tournament registration.

practice tournaments

These tournaments are called "practice" because they do not directly qualify competitors for any final, championship tournament. Earlier practice tournaments in the season are usually attended by a large number of novice competitors, providing new team members with an easier competition environment.

tournament procedures and requirements

Please remember Southview Speech/Debate members' tournament responsibilities:

- You must attend no less than three tournaments in the season.
- You must attend your first tournament by the end of November.

Students interested in signing up for a tournament must inform their coach no later than Friday of the week before the tournament, but early registration is always preferred. Students will be required partially to bear the cost of food and hotel for overnight trips. Check tournament individual tournament information sheets for details.
